Message from the Principal:

Northwest Elementary Family:

The information in this school report card reflects the data from the 2013 school year. The student performance section compares Northwest students to the state average in reading and math for 3rd grade as measured by the Oklahoma Core Curriculum Test.

I hope the community characteristics information for Coweta Public Schools is of benefit.

The 2013 school year has been a great year. Have a fun adventurous summer and best wishes for the next school year.

Northwest is simply the Best!
